A Brief History of Medina City

The village of Mecca, founded by Elijah Boardman in 1818, was renamed Medina seven years after its establishment because there existed a town by the name of Mecca in nearby Trumbull County. Boardman donated 237 acres to the county and four town lots on the west side of the present square for public building on the condition that the county seat be located in Medina Village. The early settlers proceeded to fashion the Public Square in the manner of the New England communities. During the village's first Fourth of July celebration in 1820, the main streets were named Liberty, Washington, Court and Broadway.

Churches

The Medina area's first churches were built outside of the village. St. Paul's Church, which was built about a mile southwest of Weymouth in 1817, burned down. The second structure, built in Bagdad, was shared with the Congregationalists. In 1830, members of the Episcopalian faith decided to build a new church in Medina Village. Services were held in the courthouse while subscriptions were taken to fund the construction of the edifice. The structure was formally consecrated July 11, 1837. In 1876, the rectory was built. The growth of the religious community necessitated the construction of the present stone church.

The First Congregational Church building was shared with the Episcopalians in Medina Township until a new place of worship was built near the center of the township. When that structure was destroyed by fire, the Congregationalists moved into Medina Village and held their services in the courthouse.

The "Old Brick Church," the first church in Medina Village, faced the square and was completed in 1835. Since the church walls were considered unstable, the Phoenix Hall was rented for services. A contract was signed in September of 1880 to build a new church. The church has been enlarged several times since then.

The First Baptist Church was organized in a school house north of Medina at Fenn's Corners, August 20, 1833. After March, 1839, services were held in the courthouse and private homes. The cornerstone of the first house of worship was laid in September, 1845. A contribution from the Robert Hall estate and a very generous gift from John D. Rockefeller made possible the construction of a new church which was dedicated October 2, 1910.

The Methodist Church was established in Medina in 1834. Meetings were held in the school house, courthouse, and private homes until 1836, when a frame church was completed on the corner of South Court and Lafayette. In 1860, a new church was built which burned down in December, 1896.

The cornerstone of the present Methodist Church was laid in 1897.

After years of meeting in homes for worship, a small frame church was built by members of the Roman Catholic faith in 1878. As the parish grew, it was necessary to build a larger church. Medina citizens, Catholic and Protestant, contributed to the campaign fund enabling the completion of a fine stone church in 1908. The present St. Francis Xavier Church was built by members of the parish under the guidance of the late Father Murphy in 1960.

Newspapers

In 1832, the village's first newspaper, *The Constitutionalist*, a weekly paper, was published. Another paper, *The Medina County Whig*, began publication in 1837. Both papers merged in 1841. The paper was enlarged in 1853 and became *The Medina County Gazette*. In 1964, *The Medina County Gazette* merged with *The Daily Leader Post* which was established in 1954. The result was *The Medina County Gazette Leader Post*, printed daily by the Gowe Printing Company. At the present time, the daily paper is simply called *The Gazette*. The paper acquired its own presses in 1975.

Underground Railroad

As early as 1833, Medina was a depot of the "Underground Railway." The Harrison G. Blake home, 314 East Washington, served as a stop. Slaves were hidden in the attic during the day and were taken to Oberlin, the next station, under cover of night. Blake served in the Ohio General Assembly for two terms as a representative. He was a member of the Senate of Ohio for two terms and was chosen president of the Senate. In 1858, he was elected to the United States Congress and was re-elected in 1960. Blake founded the Phoenix Bank in 1867.

Courthouses

During 1840, the county commissioners were concerned about the condition of Medina's first courthouse as the sandstone foundation of the edifice was crumbling. D. H. Weed was contracted to build a new courthouse on the east side of the square where the county buildings were being moved. Weed became the owner of the 1822 courthouse and the other county buildings (except the jailhouse) in addition to receiving $3,000 for building the new courthouse. There have been several additions to the 1841 structure. The north and south wings, a tower, a front porch and a flag pole were added in 1873. In 1906, an addition was made in the back of the building; in 1933; two more wings appeared. The final expansion was made in 1951. When the Ohio legislature approved Medina's second common pleas court in 1965, the county commissioners purchased land adjacent to the courthouse for a new courthouse. The new building was completed in 1969.

Great Fire of 1870

Twenty-two years after a fire in 1848, which destroyed and damaged twelve buildings in the Public Square area, Medina was again disrupted by a blaze. April 14, 1870, a group of volunteers battled the fire because Medina had no fire department. The only original building saved from the blaze was the old courthouse at the southwest corner of Court and Liberty Streets. Sheets of metal were nailed over the windows by John and Thomas Miller to prevent the fire from entering the building. Forty-five buildings, including barns and stables, were destroyed. Many of the historic village records were burned. The present buildings on both sides of Court Street up to the original courthouse, two sides of the park, and the buildings along Washington Street replaced those demolished by the second great fire in Medina. Until 1877, Medina maintained the bucket brigade. It was not until a few buildings in the uptown section were burned that a fire department was organized. July, 1877, a bond issue of $3,000 was authorized by the village council to purchase a fire engine, the new Silsby Rotary Steam Fire Engine.

Schools

Until 1872, Medina's school system consisted of four one-room school houses in the four sections of town; the exact location of these schools is not known. Students of all ages could attend a private, select school which was for those desiring higher education.

Medina's first public school was the Lincoln Building, completed in 1872. Two rooms of the building were rented to Professor N. H. Carver for a Normal School, which was a teacher-training institution. Mrs. Carver ran a boarding house for out-of-town students on a corner of South Broadway and East Smith Road. The Lincoln Building was used as both a grade school and a high school.

The first commencement exercises for Medina Public Schools was held in the Phoenix Hall. The 1876, graduates were Bertha Barnard, Herbert Clark, Bessie Johnson Zimmerman, and Sara Washburn Pritchard.

In 1923, a new school was erected for the high school students as the Lincoln building could only accommodate 400 students, whereas the student body numbered 800. This building is located on the corner of North Broadway and East Friendship. In 1950, the old Lincoln Building was torn down so that an addition to the Garfield School (1912) could be erected. In 1956, high school students were moved to a new building on East Union Street. The ever-increasing population of Medina necessitated the addition of a two-story wing built in 1964-65.

Medina's second elementary school, Ella Canavan, is located on Lawrence Street in the southwest section of Medina. The school was dedicated October 9, 1960, in honor of Miss Ella Canavan who taught approximately 3,500 kindergarten children during her forty-five years of teaching. Miss Ella, who taught from 1900-1945, died May 2, 1964. The school also dedicated its centralized library to her in 1966.

The community of Medina had need of another elementary school. The building, constructed in 1966, was named for Mr. Sidney Fenn who spent thirty-eight years as an educator in the Medina school system. The present senior high school, located at 777 E. Union, was completed and moved into in the spring of 1974.

Railroads

A great celebration had taken place November 15, 1871, after the completion of the Medina portion of the Lake Shore and Tuscarawas Valley and Wheeling Railroad at which Congressman James Monroe was present. In the evening, there were fireworks and a Grand Ball was held in the Phoenix Hall. When a shortcut from Mallet Creek to Chippewa Lake was constructed traffic was eliminated through Medina. However, the track is still kept open for freight services to Medina industries.

Local Old Businesses

In 1878, after selling his jewelry business. A. I. Root purchased some ground near the Medina railroad tracks. At this site, a 40 × 100 foot two-story building was erected. This business came to identify Medina as "The Sweetest Town on Earth" because Root established a flourishing bee supply business. Hives, extractors, frames and smokers were then, as today, manufactured. In 1929, The A. I. Root Company went out of honey production and concentrated its efforts on making beeswax candles. A monthly journal, "Gleanings in Bee Culture," founded by Root is still published.

The Bennett Lumber Company was founded by Scott Bennett. Originally, it was called "The Bending Works" since wood was bent to make rims for wheels. After buying out his partner, T. G. Andrews in 1897, Bennett renamed the Bending Company the Bennett Lumber Company. The company has expanded and has a Home Center for retail sales to do-it-yourself customers.

The Henry Furnace Company, one of Medina's earliest industries. was founded by Alfred C. Webber and A. Washburn in 1860's. The industry originally manufactured hollow castings. The company changed hands a number of times over the years. In 1906, it was named "The Medina Foundry Company" manufacturing the Moncrief furnace. In 1916, the company merged with the T. E. Henry Company and formed the Henry Furnace and Foundry Company. Finally, in 1943, the company became a division of the C. A. Olsen Manufacturing Company of Elyria. The name at that time became the Henry Furnace Company.

In 1932, George and Harry Madison built a pickle plant near the B&O Railroad in the northwest part of town. Their first pickles were sold in November, 1932. The H. W. Madison Company expanded greatly and its products are sold nationwide. In June, 1966, the company merged with the J. M. Smucker Company but retains the Madison name for its plant and products.

The Medina Farmer's Exchange was incorporated in 1904 to deal in grain, hay, feed, farm machinery and fertilizer. The Farmer's Exchange bought farmers' products and sold supplies to them. The Farmer's Exchange serves Medina, Summit, Cuyahoga, and Lorain counties.

Cemeteries

In 1883, many Medina citizens, aware that the Old Cemetery on East Liberty was running out of space, raised money to buy new burial grounds. Thirty-four acres on Spring Grove between Weymouth Road and East Washington Street were bought from C. B. Chamberlain for $3,400. A women's association raised money to add to Spring Grove's scenic beauty. They also paid for the erection of an archway at the entrance of the cemetery. November 21, 1888, a soldier's monument was placed in the cemetery.

Franklin Sylvester Library

Around 1900, Judge A. R. Webber asked a Granger cattleman, "Would you like to be immortal?"

"How?" asked the cattleman. "Build Medina a library," replied the Judge.

In 1905, Franklin Sylvester, the wealthy cattleman, furnished the money to erect the present building on the southeast corner of South Broadway and East Washington Street. In his will, he stated that the Franklin Sylvester Library should never be used for anything but library purposes. A bookmobile service began in 1948, and is still in operation. The library is currently in the process of planning the expansion of its facilities.

Medina Community Hospital

Recognizing the need for a hospital in Medina, a group of representative men from the community gathered in the YMCA rooms April 24, 1942, to discuss ways of raising money to build a hospital. The Medina Hospital Association was formed to solicit and acquire funds necessary to establish a community hospital.

The T. J. Weidner residence was selected for this purpose. The home was remodeled, enlarged and equipped with the funds acquired by the Association and a grant obtained from the Federal Works Administration. The building was completed and dedicated in October, 1944, as the Medina Community Hospital. During the years following, a number of additions have been made to the hospital increasing its facilities in order to meet the needs of the growing Medina community.

Community Design Committee

The Community Design Committee, established in 1967, is an organization with the purpose of encouraging the architectural beautification of the city of Medina, and especially the preservation and restoration of the distinct character of the uptown area in keeping with its existing Victorian tradition. The Community Design Committee was presented an award from the Akron Chapter of the American Institute of Architects for the renovation of the Medina Public Square. In May, 1975, the National Trust for Historic Preservation presented a citation for significant achievement in historic preservation in the United States to the CDC. Kim Zarney, a 1966 graduate of Medina Senior High School and Chairman of the committee, accepted the award May 13, 1975 in Washington, D.C.

The Beautifying of the Old School House

See the boys.
They are Seniors.
They are nice boys.
They are the "Good Guys" in our story.

They wanted to make our school more beautiful.
So, they brought lots and lots of "fertilizer"
in which to plant grass and flowers.
They also brought nice tables to sit on.
Aren't they nice boys?

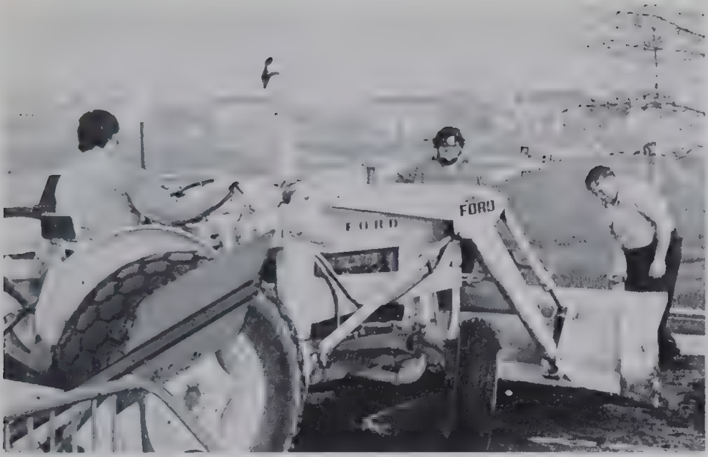
They are very happy they did such a good job.

100 years 75

See how creative they are!
They decorated the courtyard with "crepe paper".

They also put all that useless property up for sale.
Aren't they thrifty?

The "Good Guys" are now relaxing after a job well done.



Oh, no!
Here come the "Bad Guys"
They are "Mean Harold", "Big Bad Rod", and "Sweet Ray".

They are ruining everything the good guys have ever done.

Curses!

See "Sweet Ray" enjoy the aroma.

See the stranger?
He seems upset!

But all is well that ends well.
The "Good Guys" stuck together and lived happily ever after.

S.P.I.C.E.

S.P.I.C.E., presented for the second year by our Drama Club, was a big success. Talented students and teachers performed for both afternoon and evening shows. The proceeds from the show help to finance the spring musical.

The Old Courthouse

The original structure was completed in 1840. As the county grew, the courthouse became too small. Some favored razing the building and constructing a new one in its place. However, the decision was made to enlarge the courthouse. In 1873, the four room addition was completed. The projections at the right and left of the building served adequately for a number of years. A new belfry and clock tower were also added at that time.

Comes Alive

Twelve years hold so many skills to learn, so many people to meet, so much to experience. Then the climax – graduation – signals the end of this routine for another graduating class.

No matter how eagerly awaited is the end to a twelve-year ordeal, senior sadness inevitably flows into the eyes and hearts of people parting from the past and leaving old friends. The days of high school completed, students look ahead with mixed feelings about their future. Faded friendships will be replaced. Learning will in no way cease at graduation, the future, especially for the young, holds a magical aura of experiences to come. But their memories remain as they live through the days of the future passed.

SENIOR CLASS OFFICERS: Jan Wagner – Secretary, Nancy LaBadie – Vice President, Carla Gallucci – Treasurer, Darrell Sheldon – President.

The 1975 Junior-Senior banquet and prom high-lighted the end of a long, but memorable year at Medina.

The theme for the banquet was "The Tropics" and was held in the school cafeteria. The juniors did a tremendous job depicting the toils and hardships each student must endure if he is to graduate from school in the traditional banquet skit.

Everyone was captivated by the beautiful Chippewa ballroom and music to dance by, as couples could be found floating to the music of "Madhouse" and enjoying the dreamy atmosphere. The 1975 king and queen were Cynthia Dusbiber and Richard Marco. The attendants were Kay Keehn and Mike Morse.

Lathrop Cooley Fountain

Reverand Lathrop Cooley of the Church of Christ gave a drinking fountain to the people of Medina in 1889. A sum of money was deposited by Reverand Cooley for it's upkeep. The fountain which bears his name still stands on the west side of the square.

Medina County Fair

The 130th Medina County Fair took place from July 28 to August 3 of this year. This annual event gives the countians a chance to vie for premiums in the swine, sheep, flower, antique, art, and photography shows. Awards are given for farm machinery and farm products. Delicious homemade baked goods and canned foods undoubtedly are an interest to many. Homemade fabrics, clothing, quilts and rugs are also exhibited.

A number of youth groups such as 4-H, Future Farmers of America, and Future Homemakers of America exhibit their projects.

Races are a feature attraction at the fair. The Pony Races, the Northern Ohio Colt Stake and the Honey Bee Race draw vast crowds. In 1966, as a co-feature of the Medina County Fair Honey Bee Races, the selection of the Medina County Honey Queen became an annual event. Queens of high school activities in the county are invited to participate. The young ladies take part in fair activities and after interviews with judges, the new Honey Queen is crowned.

Two other crowd pleasers are the Tractor Pull Contest and the Demolition Derby.

Homecoming '74

Festivities for homecoming began with the annual Thursday night parade around the Public Square. People gathered on the streets to admire the town's decorations and watch the floats, football team, homecoming candidates and crowds of students move towards the stadium. At the stadium, Janice Schindelholz was crowned our new queen. Members of her court were Becky Abell, Aileen Flanders, and Jenney Kubal.

Float competition was won by the Junior Class. All watched as the Sophomore's "demon-of-a-mascot" was burned in the glowing bonfire.

Friday, the overconfident Westlake Demons charged onto the field only to be beaten 28-13. The homecoming celebration ended Saturday evening with the school dance which featured "Baby Buckwheat." The school was decorated as an ice cream parlor by the sophomores in honor of the 100th graduating class.

Bees Finish Season With A 6-4 Record

Coming Back with only five returning lettermen, Medina had enough experienced ex-J.V. players to have a successful '74 season. The Bees triumphed over other county teams and put down three of the S.W.C. teams. This included defeating our homecoming rival, Westlake, by a 28-13 score. The team proved to be great and we will miss the "Super Seniors" of '75.

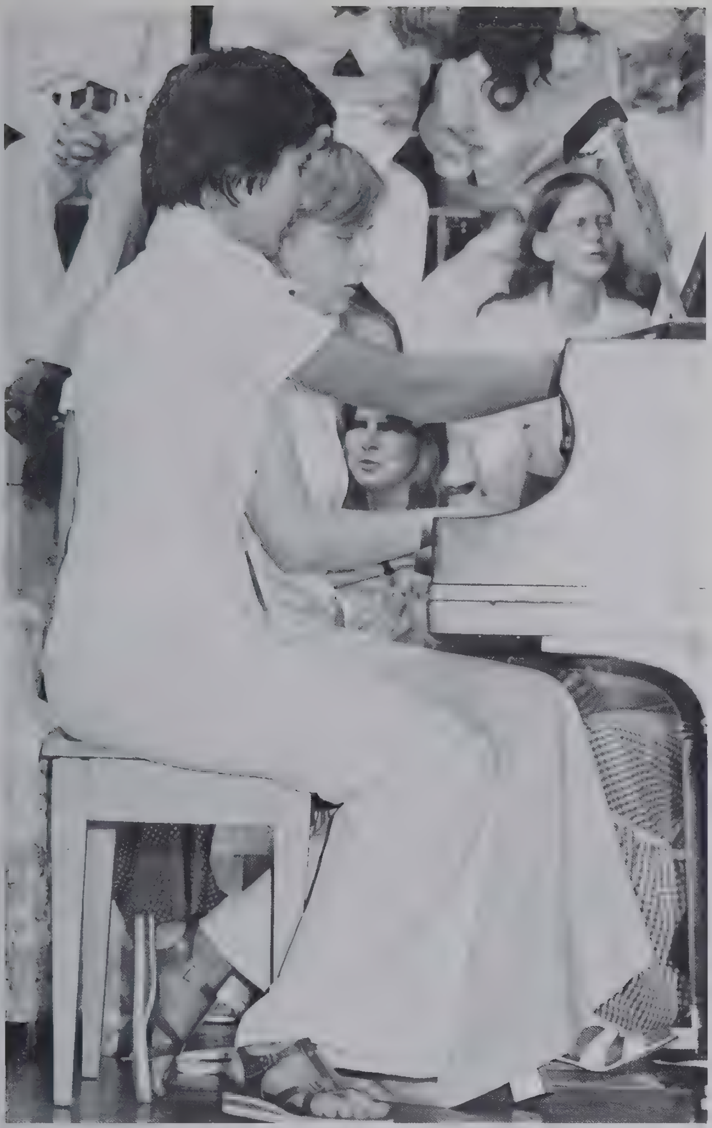
Showtime 1975

Activity, Varsity, Concert and Swing Choirs combined with Girls Glee and Stardusters in the annual production of Showtime. Musical selections were taken from contemporary pop artists.

Seniors Kenn Knopp, Darrell Beck, and Kent Bixler harmonized together in their rendition of *Cherish.* Dot Klopp leads Concert Choir in *Stop and Smell the Roses.* Swing Choir enacted a Lennon-McCartney number, *Maxwell's Silver Hammer.* Bill McDade played Maxwell, a mischievous boy, who murders his girlfriend, teacher and the judge, Jeff Jessie, at his trial with his silver hammer. *Color My World* was sung by Curt McLaughlin of Varsity Choir.

Pianists Barb Naragon and Marie Myers spent many hours practicing their accompaniments for not only the choirs, but also solo performances. Jenny Smith excelled in her presentation of *Snowbird.* Members of Girls Glee sang enthusiastically through their *Women's Lib March.* Linda Brubaker gave one of the most outstanding performances of the evening as she sang and danced through *I'm the Greatest Star.*



Music Man

Take a corny script, an illegible music score, a great number of scene changes and add to it talent, hard work and enthusiasm. The result is a highly successful musical production – *Music Man.* Concert choir sets the mood by singing *Iowa Stubborn.*

Music Man brought new faces to the Medina Senior High stage. Jackie Fritz, in the lead as Marian Paroo, and Kim Imig, Amaryllis, deighted one and all as they sang *Goodnight My Someone.* Steve Wise, Marcellus, joins veteran Dean Bryenton, Harold Hill, in a charming duet, *The Sadder But Wiser Girl.* Dot Klopp, another addition to the stage, provided comic entertainment in her portrayal of Eulalie Mackecknie Shinn. Eulalie's cronies, the *Pickalittle-Talkalittle* Ladies tell Hill about Marian's immoral character – advocating dirty books written by Chaucer and Bolzac.

Brett Prochaska was cast in the role of Winthrop Paroo, Marian's shy brother. Winthrop comes to admire Professor Hill, not only for his revolutionary think method of playing . . . musical instruments, but for helping him overcome his insecurity. Since Winthrop could not pronounce his s's, Hill taught him *Gary Indiana,* a song with few s's. Marian, dispite her professed dislike for Hill, falls in love with him and agrees to meet him at the bridge much to the delight of her mother. Mrs. Paroo, Linda Brubaker, exclaims "I used the think method on you, Marian!

The mayor, knowing Hill is a humbug, assigns the members of the school board the task of bringing about the Professor's downfall. Yet, each time they ask him for his credentials, Hill tricks them into singing Lida Rose, then exits. Finally, Mayor Shinn, Jeff Jessie, succeeds in apprehending Hill. Marian eloquently defends Hill and the townspeople forgive him.

The Music and Drama Departments used understudies for the first time. Dean Bryenton and Kent Bixler alternated in the roles of Harold Hill and Oliver Hix. Jackie Fritz and Debbie Deane shared the roles of Marian Paroo and Maud Dunlop. The role of Jacey Squires was portrayed by Ken Knopp and Bill McDade. Alma Hix was enacted by Gail Burke and Jenny Smith. *Music Man* was the fourth drama production directed jointly by Mrs. Burke and Mr. Carey.

DIFFERENT FROM MOST COMPLEXION PREPARATIONS, OUR WHITE LILY FACE WASH CONTAINS NOT A PARTICLE OF LEAD, SILVER, SULFUR, ARSENIC, MERCURY OR OTHER POISONOUS MINERAL BY WHICH MOST COMPLEXTION REMEDIES, AND PARTICULARLY THE ADVERTISED ONES, PRODUCE A TEMPORARY SMOOTHNESS AND BRILLIANCY OF THE SKIN. WHITE LILY FACE WASH IS CLEAR AND HARMLESS AS WATER, CONTAINS NO POISON, NO SEDIMENT, NOTHING TO HURT THE MOST TENDER AND DELICATE SKIN. ITS EFFECT WILL AID IN REMOVING PIMPLES, BLACKHEADS, FRECKLES, ROUGHNESS AND TAN IN SHORT TIME. WHITE LILY FACE WASH SMOOTHES OUT WRINKLES AND ROUGHNESS, IMPERFECTIONS AND IRRITATIONS OF THE SKIN DISAPPEAR, RESTORES THE DELICATE TINT OF GIRLHOOD AND YOUTH, LEAVING THE SKIN SOFT AND VELVETY. NOTHING IS MORE ATTRACTIVE THAN A LOVELY COMPLEXTION.

DO YOU WANT TO BE BEAUTIFUL? DO YOU WANT A SPOTLESS SKIN, A MARBLESS COMPLEXTION? DO YOU WANT WHITE ARMS, NECK, AND FACE? SEND FOR A BOTTLE OF WHITE LILY FACE WASH, USE IT ACCORDING TO DIRECTIONS AND GIVE IT A FAIR TRIAL. YOU WILL BE SATISFIED WITH THE GOOD RESULTS OBTAINED.

WHITE LILY FACE WASH HAS A WONDERFUL SALE. THE MARKET IS FULL OF INJUROUS COMPLEXTION PREPARATIONS. MANY, IN FACT MOST OF THESE PREPARATIONS CONTAIN LEAD, ARSENIC, BISMUTH, OR MERCURY AND ARE REALLY DANGEROUS IN THEIR EFFECTS. YOU CAN PROTECT YOURSELF FROM SERIOUS SKIN DISEASES BY USING OUR WHITE LILY FACE WASH. TAKE NO CHANCES. AVOID ALL DANGERS. USE ONLY A PREPARATION THAT IS ABSOLUTELY HARMLESS, ONE THAT YOU CAN DEPEND ON FOR A SPOTLESS SKIN, A POSITIVE BEAUTIFIER THAT HAS BEEN RECOMMENDED BY THOUSANDS OF LADIES. USE ONLY THE THE GENUINE WHITE LILY FACE WASH, TO SECURE FOR YOURSELF THE BEST RESULTS.

The one. The only.
The original Stretch & Sew.

These busy days, everyone is sewing with knits. That's because knits are quick, easy and fun to sew. They're comfortable and carefree. And the knit fashions you sew today look every bit as nice as ready-to-wear — for a fraction of the cost. So why not join a Stretch & Sew class and see how Stretch & Sew techniques can save you hours of effort. After all, there's only one Stretch & Sew. We helped start the knit sewing revolution.

SIGN UP FOR CLASSES NOW!

We are available to your club or group for demonstrations and fashion shows at no charge. Call now for details.

I shall commence this esoteric writing with the traditional thesaurus of gratitude. First, I would like to extend my most heartfelt thanks to James Cheuvront. Also, I would like to thank Dave Milhalko of the Contemporary Photography Studio and Jeff Eble for photographing special events.

Secondly, I give thanks to those who assisted in the writing of the history of Medina City. Mrs. Aufmuth and Mrs. Margaret Beckwith who assisted in compiling information were extremely benefical. Mrs. Neptune and Mr. Dague proofread the history. My sincerest thanks to Miss Taylor for typing the monstrosity. My sources were: *Historical Highlights of Medina* published in 1966 by the class of that year, *The History of Medina County* compiled by the Medina County Historical Society of 1948, the Cleveland Press, the Gazette, the 1973 Medina County Fair Offical Premium List and the Community Design Committee.

Lastly, I would like to thank those who contributed to the Free Lunch Program.

The school year 1974-75, to say the least, was chaotic. Many a thing shall we remember while the rest shall drift into oblivion. Trivia becomes the mainstay of life while motherhood and apple pie bask in the limelight of obscurity.

The class of 1975 having dusted its feet as it walked out the door shall move on to bigger and better things, perhaps smaller and worse. Some wish the class well, others good riddance. They leave an emptiness that in time will be filled.

To the Seniors who cried "Free at last" after Commencement, I have naught to say but words of Gibran:

> And an orator said, Speak to us of Freedom.
> And he answered:
> At the city gate and by your fireside I have seen you prostrate yourself and worship your own freedom,
> Even as slaves humble themselves before a tyrant and praise him though he slays them.
> Ay, in the grove of the temple and in the shadow of the citadel I have seen the freest among you wear their freedom as a yoke and a handcuff.
> And my heart bled within me; for you can only be free when even the desire of seeking freedom becomes a harness to you, and when you cease to speak of freedom as a goal and a fulfilment.
> You shall be free indeed when your days are not without a care nor your nights without a want and a grief,
> But rather when these things girdle your life and yet you rise above them naked and unbound.
>
> And how shall you rise beyond your days and nights unless you break the chains which you at the dawn of your understanding have fastened around your noon hour?
> In truth that which you call freedom is the strongest of these chains, though its links glitter in the sun and dazzle your eyes.
>
> And what is it but fragments of your own self you would discard that you may become free?
> If it is an unjust law you would abolish, that law was written with your own hand upon your own forehead.
> You cannot erase it by burning your law books nor by washing the foreheads of your judges, thought you pour the sea upon them. And if it is a despot you would dethrone, see first that his throne erected within you is destroyed.
> For how can a tyrant rule the free and the proud, but for a tyranny in their own freedom and a shame in their own pride?
> And if it is a care you would cast off, that care has been chosen by you rather than imposed upon you.
> And if it is a fear you would dispel, the seat of that fear is in your heart and not in the hand of the feared.
>
> Verily all things move within your being in constant half embrace, the desired and the dreaded, the repugnant and the cherished, the pursued and that which you would escape.
> These things move within you as lights and shadows in pairs that cling.
> And when the shadow fades and is no more, the light that lingers becomes a shadow to another light.
> And thus your freedom when it loses its fetters becomes itself the fetter of a greater freedom. – *The Prophet*
